All the District Educational Officers in the State are informed that certain teachers who are working in Agency areas were transferred to plain areas during earlier and recent transfer counseling. But, for want of substitutes they are not relieved from their posts, although they have completed 8 years of service in a school in the Agency Areas. For this simple reason of substitutes, their transfers are not effected / implemented.

Therefore, all the District Educational Officers in the State are hereby directed to relieve all such teachers who have completed 8 years of service in Agency area in a school and even though substitutes are not reported. Further, the cases of teachers, who have not put the requisite number of years of service in a school in the Agency Areas, need not be relieved without the substitute.

After effecting the transfers, the District Educational Officers concerned are requested to file affidavit/additional affidavit wherever court cases are pending on this subject matter.

Top priority shall be given to this kind of work and effect the transfers before 05-11-2009 positively and submit the compliance.

This has the approval of the Commissioner & Director of School Education, Andhra Pradesh, Hyderabad.
